PROFILE

ICSTM aims to provide a forum for researchers, practitioners, and professionals from both the industry and the academia to share their newest research findings and results in the field of sustainable tourism management. It is organized by Journal of Advanced Management Science, so it also serves to bring authors and editors of JOAMS together for discussion and exchange of ideas concerning theoretical and practical aspects of management science.

PUBLICATION

Submissions will be reviewed by the conference committees and journal editorial board, and accepted papers will be published in *Journal of Advanced Management Science*, which will be indexed by Ulrich's Periodicals Directory, Google Scholar, Crossref, Electronic Journals Digital Library, etc.

Note: For those who're NOT looking to publish their papers, it's acceptable to submit your abstracts to the conference just for oral presentation without publication.
